

You may recall that on July 8, 1947, a little over 60 years ago, witnesses claim that an unidentified flying object (UFO) with five aliens aboard crashed onto a sheep and mule ranch just outside Roswell , New Mexico . This is a well known incident that many say has long been covered up by the U.S. Air Force and other federal agencies and organizations.

However, what you may NOT know is that in the month of April 1948, *nine months after* that historic day, the following people were born:

Albert A. Gore, Jr.
Hillary Rodham
John F Kerry
William J. Clinton
Howard Dean
Nancy Pelosi
Dianne Feinstein
Charles E. Schumer
Barbara Boxer

Do you suppose that the aliens interbred with the sheep and jackasses? This would explain a lot.
